

## CAVEAT

The sample documents in *AILA's Immigration Law Practice & Procedure Manual: A "Cookbook" of Essential Practice Materials* are just that—samples. Read each document carefully and adapt it to meet your specific needs; and don't forget that the law can change quickly. As a result, it is imperative that practitioners supplement the information provided in this publication in order to keep up to date. In addition to primary sources of law, practitioners are encouraged to review AILA's website for the latest information and developments in immigration law and policy.

### ***Note on TPS Designations:***

As this book was headed to print, Burma (Myanmar) was added to the list of designated TPS countries, and a new 18-month designation of TPS was added for Haiti. These changes are not reflected within the text of "The Cookbook." For the latest information about the countries currently designated for TPS, see the USCIS website at <https://www.uscis.gov/humanitarian/temporary-protected-status>.
