

PREFACE

This 2021 edition of AILA's *Immigration & Nationality Act* incorporates laws enacted through March 22, 2021. Legislative histories are cumulated at the end of the relevant INA section. Other editorial notes, such as sunset provisions, congressional drafting errors, and applicability information, can be found throughout the text.

All the immigration-related statutes codified in title 8 of the U.S. Code that are not part of the INA are included in Appendix A. Other immigration-related statutory provisions not in the INA are set forth in the appendices as well, including the provisions of the USA PATRIOT Act that granted certain benefits to victims of terrorism; other legislation awarding posthumous benefits to 9/11 victims; IIRAIRA §§110, 309, and 641; the uncodified portions of AC21 and the LIFE Act; the most recently amended versions of NACARA, HRIFA, and the Hmong Veterans' Naturalization Act; the EB-5 amendments contained in the 21st Century DOJ Appropriations Authorization Act; and the House Rules of Procedure and Statement of Policy for Private Immigration Bills. The book also includes a detailed, comprehensive index.

As with all of AILA's primary sources, any corrections to AILA's *Immigration & Nationality Act* will be available at www.aila.org/Errata. In addition, new immigration-related legislation is posted to both AILA.org and AILALink, and any changes to the INA are also reflected in the version of that document located on AILALink. We welcome any comments and suggestions you may have regarding any AILA publication. Please send your remarks to books@aila.org.
