

## If Something Is Broken, What Do You Do?

### **You fix it.**

You don't just make do for over twenty years and pass up the chance to get it right.

Our immigration system is broken and has been for decades. The Senate is considering a solution that builds a common sense framework to meet the needs of families, businesses, aspiring citizens, and our country as a whole.

**Congress: We can't keep making do with a broken system. The time is now. Fix it.**
