Deferred Action is no game.
Make sure you know the rules.

The Deferred Action application process might look simple but can actually be pretty complicated and there are no appeals if your case is denied. Don’t get scammed. Notarios and other unlicensed immigration consultants are not authorized to offer legal advice and can do more harm than good. Deferred Action is a tremendous opportunity for you to build a brighter future for yourself if you qualify, but it is also a process that involves some risk.
