What does Deferred Action mean for your future?

Not everyone will qualify for the Deferred Action for Childhood Arrivals initiative. Getting the right legal advice can help you decide if Deferred Action is the right choice for you. Don’t get scammed. Notarios and other unlicensed immigration consultants are not authorized to offer legal advice and can do more harm than good. Deferred Action is a tremendous opportunity for you to build a brighter future for yourself if you qualify, but it is also a process that involves some risk.
