

## CAVEAT

The sample documents in *AILA's Immigration Law Practice & Procedure Manual: A "Cookbook" of Essential Practice Materials* are just that—samples. Read each document carefully and adapt it to meet your specific needs; and don't forget that the law can change quickly. As a result, it is imperative that practitioners supplement the information provided in this publication in order to keep up to date. In addition to primary sources of law, practitioners are encouraged to review AILA's website for the latest information and developments in immigration law and policy.

As this book was headed to print, USCIS announced that starting on June 27, 2022—after the publishing of this edition—it would only accept the 04/25/22 edition of Form I-134, Declaration of Financial Support. Until that time, the sample completed form provided in this edition is still current. Once we have had an opportunity to review and file the new form, we may provide you with an updated sample in the upcoming months.
