

SUBJECT-MATTER INDEX

Alphabetization is word-by-word (e.g., “U visas” precedes “unaccompanied children”). References to “Convention” and “Hague Convention” refer to Hague Convention on Intercountry Adoption unless otherwise noted.

A

abandonment

as criterion for orphanhood, 42–43

abduction, *see* Hague Abduction Convention

adjustment of status

for asylees, 124

citizenship-application procedure under INA §320, 90
Special Immigrant Juveniles (SIJs), 136–38

“adopted child” petitions (I-130), 51–54, 69–79

alternatives, 74–75

(*see also* Asylum; Special immigrant juveniles; VAWA)

definition of adopted child, 51, 69, 85

delays, available options, 81–83

denied petitions, alternatives to appeals

APA challenges, 83–84

media publicity, 84

eligibility criteria for child, 51–53

habitual residence, *see* Habitual residence

legal custody, 75–76

legal-custody requirement, 52

sham adoptions, 77–79

two-year joint-residence requirement, 52–53, 76–77

USCIS Policy Memo 602-0095, 72–74

validity of adoption under laws where entered, 75

adoption agencies (adoption service providers), 93–112

child buying, prevention of, 98

collaboration with attorneys, opportunities for, 105–10

counseling and decision-making, 99–100

educating prospective parents, 96, 98

intake and eligibility screening, 96–97

nonadoption services provided by agencies, 110–11

advocacy, 111

community building and support, 110–11

vulnerable children, program development, 110

obtaining info on children, 98–99

outlook for future, 111–12

overview and history, 93–96

post-placement support, 100–101

procedure, 96–101

program development and evaluation, 101–4

characteristics of children, 102

child protection system, assessment of, 102–3

evaluation of program, 105

needs assessment, 102

plan for development, 105

program planning and development, 103

resources, 104

risk assessment, 103

services, 103–4

travel support, 100

age of child

for “adopted child” petitions, 51–52

for Convention adoptees, 49

as orphan-eligibility requirement, 42

agencies, *see* Adoption agencies

amended adoption order, 64–65

APA challenges to denied I-130 petitions, 83–84

assisted reproductive technology (ART)

practice tips, 29–35

asylum, 121–27

adjustment of status, 124

basics of asylum law, 121–24

benefits of, 124

child-specific policies, procedures, and issues, 125–26, 127

particular social group, establishing for child asylum seekers, 125

process and procedures, 122–24

unaccompanied children, 126–27

B

best interests of child

definition, 12–13

bona fides of adoption, 77–79

C

categories of adopted children, 25, 37–55

overview, 37–39

child advocate, appointment as, 119

child buying, prevention of, 98

“child,” definition of, 19–27

(*see also specific terms*)

burden and standard of proof, 26–27

child-specific immigration policies, procedures, and issues, 125–26, 127

citizenship

adjustment of status as part of §320 application procedure, 90

and definition of “child,” 25–26, 85–87

moving from IR-4 or IH-3 visa to citizenship, 87–88

noncitizen children who are adopted by citizens while present in U.S., 89–92

orphans adopted abroad who continue to live abroad with their U.S. citizen parents, 88–89
 orphans adopted abroad who enter U.S. as LPRs, 85–88
 proof of, for adopted children, 85–92

Congress

advocacy for adoption-friendly laws, 111
 requesting help when facing delays, 81–82

Convention adoptions, *see* Hague Convention adoptions
crime victims, *see* U visas

D**death of parent**

as criterion for orphanhood, 42

delays in processing

available options, 81–83

desertion by parents

as criterion for orphanhood, 43

disappearance of parent

as criterion for orphanhood, 42

E

egg donation, *see* Assisted reproductive technology

embryo transfer, *see* Assisted reproductive technology

evidence

burden and standard of proof for determining eligibility as child, 26–27
 citizenship, proof of, for adopted children, 85–92

F**finality of adoption**

as parent-eligibility requirement
 for Convention adoptions, 47–48
 for non-Convention adoptions, 41

H**habitual residence**, 57–67, 70–75

actual residence criteria, 64, 72
 adoptions by U.S. citizen parents habitually resident outside U.S., 59–60
 amended adoption order, 64–65
 central authority, response from, 63–64
 of child to be adopted, 71
 children previously habitually resident in Convention countries, domestic adoption by U.S. parents, 60–67
 compelling ties criteria, 64, 74
 effect of Hague Convention and habitual residence on “adopted child” petition
 child from Convention country in U.S., 53–54
 domestic adoptions, 70–75
 petitioner parent in country of origin, 53
 filing procedures (non-Convention) for U.S. adoptive parents when child last habitually resident in Convention country, 57–67
 identifying country of habitual residence, 61–62
 importance of

in application of Convention, 57–58
 when U.S. citizen adopts, 58–59
 intent criteria, 64, 72, 74
 notice and habitual residency determination request, 62–63, 71–72, 72–73
 of prospective adoptive parents, 71
 USCIS Policy Memo 602-0095, 72–74

Hague Abduction Convention, 113–19
 basics of Hague Abduction law, 115–17
 compared with Hague Adoption Convention, 113–14
 guidance and caveats for adoption lawyers, 117–19

Hague Convention adoptions

generally, 37–39, 45–51
 Abduction Convention compared, 113–14
